

Idaho Snake River Section President's Address

August 7, 2012

Members of the Idaho Snake River Section of AACE International:

I am absolutely humbled to have the opportunity to serve as President of this AACE Section. In the last few years, the Idaho Snake River Chapter has been one of the fastest growing chapter's in the United States, due largely to the great efforts of the President's and officers who have served previously. Although I would very much like to continue that growth, I believe my primary goal will be to work hard to improve the program and association benefits for our current membership.

My first order of business, however, was to establish a Section Mission Statement. I believe that for a board to make good decisions on which direction to take an organization, they need a statement of purpose to fall back on. We intend to live to our mission, which is all about making this association a great resource for not only professional, but personal development... and enjoyment.

A big thank you for our association members for trusting in this board and these fine officers. We expect to work extra hard to make the 2012-13 activities season extra special. Please always feel free to let us know how we are doing, and if there is anything more we can do for you.

Jared M. Neumeier President, Idaho Snake River Section

I can be reached at president@idahosnakeriversection.com if you would like to comment on what we are doing and where we are going as a section.
