

### **October 19, 2010 - AACE Certifications**

Meeting Minutes: We had a successful October section meeting. We discussed the various certifications offered by AACE International. For further information on AACE certifications, you may contact the Idaho Snake River Section Certification Committee by emailing [certification@idahosnakeriversection.com](mailto:certification@idahosnakeriversection.com). Four members of our local section are scheduled to take their respective AACE certification exams in November. To support these members while they study for their November challenge, at the meeting we discussed the rules of the test and general test taking strategies. To those members of the Idaho Snake River Section who will be taking the certification exam in only a few short weeks, we all wish you the best of luck!
