

### **December 15, 2010 - Networking and Social Event**

Meeting Minutes: We had a great turnout at the December section meeting. We announced the winners of the Idaho Snake River Section - The Two Things Contest 2010, learned about Jared Neumeier's rigorous preparation for his Planning and Scheduling Professional™ (PSP™) certification exam, and celebrated the recent successes of our members. It was great to get everyone together as the calendar year is counting down.
